Package C:8 Camera System

The image displays a variety of security camera components. On the left, there is a 17-inch LCD monitor. Below it are several types of cables: a multi-colored Ethernet cable, a black coaxial cable, a blue Ethernet cable, and a black coaxial cable with a red stripe. On the right, there are two rows of cameras: the top row features four black dome-shaped indoor cameras, and the bottom row features four black bullet-shaped outdoor cameras with infrared lights. At the bottom right, three black DVR units are stacked vertically, with a white remote control standing to their right. The background is a blue, abstract, digital-style pattern.
